**Would you consider opening your hearts** to families who want their children to receive a St. Paul Christian education, but perhaps cannot afford the rising costs? The **"Grantparent" Program** is designed to ease the financial burden for struggling parents, but it needs ongoing funds. If you are able to help financially to continue St. Paul's long-standing heritage of supporting this important mission to our families, please prayerfully follow God's "nudging" by contacting the school office. You may donate for general tuition funding or to a specific student. Thank-you in advance for blessing our children with your prayers and support.

**The Screen Tech and Acolyte Schedules** are hanging on the board in the hallway between the mailboxes. We have many open dates and are looking for volunteers of any age to fill them in. If you can help on any of the dates, add your name and phone number to the schedule or call the church office.

**Read the Bible with us!** We hope you are having fun and learning a lot by reading the Bible together with your family! Whenever you are done reading a book of the Bible, you can fill out a form and turn it into the office or your child's teacher. Extra forms and reading schedules can be found in both offices and the narthex. In April, we are studying the book of **Acts**. Having just celebrated Easter, we thought it would be good to next look at the growing early Christian church. Remember that everyone who completes at least one book is invited to a gathering at the end of the year and will be put into a drawing for a study Bible. It's not too late to join in! We love to see you reading the Word of God!
